Medical Consent Form

I hereby consent and authorize the doctor to treat my medical condition, which has been explained to me by the qualified physician.

I understand that in order to provide me with the most efficient and enhanced service, diagnostic and other procedures may be deemed necessary.

I understand that my treating doctor may discover other or different conditions, which may require additional or different procedures than those planned.

I authorize my treating doctor to perform such procedure, which are advisable in their professional judgment.

I understand that no warranty or guarantee has been made to me as to a result or cure just as there may be risks and hazards in continuing my present condition without treatment, there are also risk and hazards to the performance of the diagnostic and /or surgical procedure. I realize that common surgical or diagnostic procedure are potential for an infection, swelling, bleeding and allergic reaction.

I understand that there are minimal fees to be paid per service and that all fees must be paid in full after the completion of each treatment.

I understand that any information that I provide regarding my medical status will be kept completely confidential and anonymous.

I believe that I have sufficient information to give this consent. I certify that form has been fully explained to me and that I have read it understand its contents.
