Medical Consent Form

I hereby consent and authorize the doctor to treat my medical condition which has been explained to me by the qualified physician

I understand that in order to provide me with the most efficient and enhanced service, diagnostic and other procedures may be deemed necessary.

I understand that my treating doctor may discover other or different conditions, which may require additional or different procedures than those planned.

I authorize my treating doctor to perform any procedures which are advisable in their professional judgment.

I understand that no warranty or guarantee has been made to me as a result or cure just as there may be risks and hazards in continuing my present condition without treatment.

I understand that there are also risks and hazards to the performance of the diagnostic and/or surgical procedures.

I realize that common surgical or diagnostic procedures are potential for an infection, swelling, bleeding, pain or allergic reaction.

I understand that there are minimal fees to be paid per service and that all fees must be paid in full before the completion of treatment.

I consent that all medical history and information I provided in my medical file is true and I understand that any information I provide regarding my medical status will be kept confidential and anonymous.

I believe that I have sufficient information to give this consent. I certify that this form has been fully explained to me and that I have read it and I understand its' content and I sign it with all my will.
